99 Lone Pine Road  
Port Severn, ON  
L0K 1S0

Township of Georgian Bay property owners are required to have 911 signs visible at the end of their driveway/dock so they can be easily seen by emergency responders.

If you share a common driveway with other homes, please ensure that each individual home is clearly numbered.

**Every second counts in an emergency and precious time can be wasted if emergency responders can't locate the correct property!**
